INTRODUCTION

Pearland is located in northern Brazoria County, home to the Upper Texas Coast (UTC) – Great Texas Birding Trail and sits directly in the middle of the Central Flyway. Birding in Pearland – Prepare to love it!

Great Egret

LOCAL HOT SPOTS

Shadow Creek Ranch Nature Trail 1801 Kingsley Drive Pearland TX 77584 – UTC 087B

This green space offers paved trails, educational signage, and natural vistas for viewing wildlife throughout the trail. An observation deck is available to enjoy the beautiful scenery and take photos.

This site offers several unique habitat types to explore, including wetlands, forest and coastal prairie. This diversity attracts a wide variety of bird species.

- Winter: LeConte's Sparrow, Blue-winged Teal, Ring-necked Duck, Belted Kingfisher, Cedar Waxwing, American Bittern, Green-winged Teal; a variety of wintering Sparrows
- Spring: A variety of Warblers, Flycatchers, Tanagers and Grosbeaks
- Summer: Scissor-tailed Flycatcher, Yellow-crowned Night-heron, Indigo Bunting, Swainson's Hawk
- Fall: Blue-gray Gnatcatcher, American Kestrel, Eastern Phoebe
- Year round: Mottled Duck, Northern Cardinal, Carolina Wren, Blue Jay, Roseate Spoonbill, Neotropical Cormorant, Red-shouldered Hawk, a variety of Herons and Egrets, Crested Caracara

Delores Fenwick Nature Center 5750 Magnolia Parkway Pearland TX 77584 – UTC 087A

Located at the John Hargrove Environmental Complex, this center offers interactive exhibits and a great vantage point of the floating wetlands behind the center. Take a stroll on the nature trail to enjoy the water birds and observe the rookeries, nesting colonies of birds, from spring into the summer.

A local bat colony calls the Fite Road bridge home for half of the year. The Edible Fruit trail east picnic area is a great spot to view their emergence at dusk during the late summer.

- Winter: American White Pelican, American Pipit, Northern Shoveler, Green-winged Teal, Spotted Sandpiper, Osprey, American Coot, Least Sandpiper, Savannah Sparrow
- Spring: Red-winged Blackbird, Forster's Tern, Pectoral Sandpiper, Blue-winged Teal, Tree Swallow
- Summer: Purple Martin, Chimney Swift, Green Heron, Eastern Bluebird, and a nesting colony of 9 species of colonial water birds
- Fall: Red-bellied Woodpecker, Belted Kingfisher, Anhinga
- Year round: Black-bellied Whistling-duck, Mottled Duck, Neotropical Cormorant, Roseate Spoonbill, Loggerhead Shrike, Bald Eagle, Northern Mockingbird; a wide variety of Herons, Egrets, Gulls, and Ibis

Great Blue Heron

Roseate Spoonbill

El Franco Lee Park 9400 Hall Road Houston TX 77089

Located in Harris County, this park offers 80 acres of protected wetlands, nature trails, and an elevated boardwalk with a gazebo, perfect for wildlife observation.

- Winter: Gadwall, American Robin, Cedar Waxwing, Green-winged Teal, Northern Flicker, American Pipit, Mallard, Lesser Scaup, Eastern Phoebe
- Spring: Tree Swallow, Pectoral Sandpiper, Cave Swallow, Tennessee Warbler, Indigo Bunting
- Summer: Barn Swallow, Purple Martin, Chimney Swift, Common Nighthawk, Black-necked Stilt, Yellow-crowned Night-Heron
- Fall: Blue-gray Gnatcatcher, Wilson's Snipe, Long-billed Dowitcher, a variety of Warblers
- Year round: American Coot, Black-bellied Whistling-Duck, Anhinga, White Ibis, Killdeer, Great Horned Owl, Little Blue Heron, Laughing Gull, Pileated Woodpecker, Carolina Chickadee

ADDITIONAL PEARLAND LOCATIONS

Magnolia Parkway Ponds 7110 Magnolia Parkway (CVS Parking Lot) Pearland, TX 77584

This site features 45 acres of created wetlands. Great location for shorebirds and waterfowl. Less than a ½ mile west on Magnolia Road are two large ponds. These ponds are an excellent place to find foraging water birds and are full of waterfowl in the winter.

Christia V. Adair Park 15107 Cullen Blvd. Houston, TX 77047

Explore wooded walking trails among large mature trees adjacent to Clear Creek. Can be especially good for migrating songbirds.

Tom Bass, Section 3 15108 Cullen Blvd. Houston, TX 77047

Features a large lake with paved walking paths. Excellent waterbirds, especially through the winter.

Osprey

Armand Bayou Nature Center 8500 Bay Area Blvd. Pasadena, TX 77507 - UTC 081

Located in Bay Area Houston, between NASA and the Bayport Industrial District, this urban wilderness preserve is home to 3 distinct ecosystems: wetlands, woodlands and tall-grass prairie.

- Year round: Osprey, Herons, Belted Kingfisher, Anhinga, Gulls and Terns
- During the spring and fall months, the forestlands at this site become home to Warblers, Grosbeaks, Tanagers, Buntings, vireos, and other migratory birds.

NEARBY BIRDING SITES

Brazos Bend State Park 21901 FM 762 Needville, TX, 77461 – UTC 117

Known as a "bird watcher's paradise", there are over 300 documented species of birds in this rich wildlife habitat within this 4,897 acre state park along the Brazos River.

- Year round: Wading birds, Raptors and Songbirds
- During the winter months or throughout the spring and summer nesting range, migratory songbirds, waterfowl and other birds make this Texas State Park their home.
